Volunteer Worker Hold Harmless Agreement

Volunteers are an important part of the ministry, but they are not covered under Workers' Compensation Insurance and must sign the Volunteer Worker Hold Harmless Agreement [Appendix V.A(1) or V.A(2)]. This agreement bars the signer from making a claim against the parish/school/ecclesiastical organization. Please note the agreement is only valid when the signer is at least 18 years of age. However, volunteer workers are covered, on a limited basis, by an Accident Policy for injuries which occur while doing the volunteer work. This policy will pay up to $5,000 for medical expenses not covered by the volunteer's own Accident and Health Policy. It does not pay for lost wages or permanent disability.
