# Flocknote Easy Button ☝

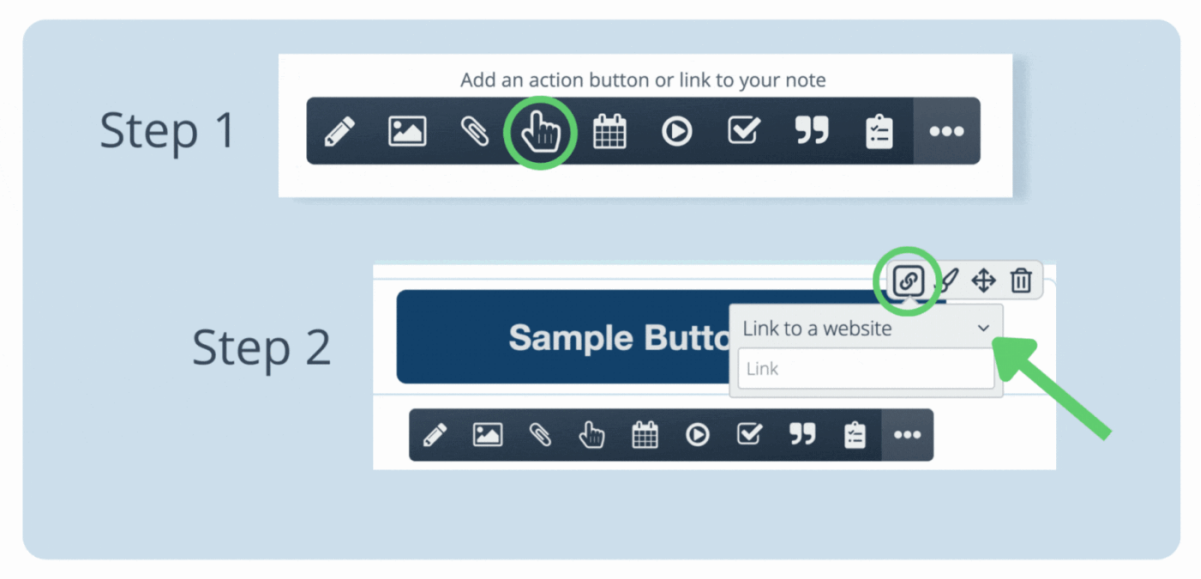

Flocknote · https://missionsupport.archden.org/knowledgebase/flocknote-easy-button-☝/

Ever wish life came with an "easy button"? Forgot to buy a gift and the birthday party's in an hour? *Click the button*. Got a mountain of work and house full of sick kids? *Click the button.* Need to wrangle permission slips from a ton of students *...you get the idea!*

While the "easy button" doesn't exist yet, Flocknote has created the next best thing! The **Smart Button** will make both church staff and members' lives easier and you can use it in your next email!

**Step 1:** Open up the Note Composer and select the "finger pointing" icon.

**Step 2:** Select the "chain-link" icon, the "caret" icon, and assign the button an action.

When your members click on the Smart Button, they'll be able to easily:

- Navigate to an external link (you pick! Parish or school website, sign-up link, new homily recordings, etc.)
- Join another group (you pick! Adoration Volunteers, Weekly Homily Email, etc.)
- Update their contact information (super helpful!)
- Update their notification preferences
- Unsubscribe from the group

- Pledge to a campaign **_Available exclusively to networks who have enabled **Flocknote People** for member-management. Learn more!_
- Donate or make payments to the church easily **_Available exclusively to networks who have enabled **Fund It** for church giving**.Learn more!_
