Speaker Approval Form

Administration · https://missionsupport.archden.org/knowledgebase/speaker-approval-form/

The speaker approval process exists to help the Archbishop of Denver carry out his duty under Canon Law to protect the integrity and unity of the faith. This process applies to speakers from outside of the Archdiocese of Denver who are invited to speak on faith or morals. Speakers who reside in the Archdiocese of Denver do not need to complete this process but should obtain permission from the pastor of the parish where they wish to speak.
