Website Training

Website Support · https://missionsupport.archden.org/knowledgebase/website-training/

All set up? Get trained!

Schedule a Training

You’re now set up with your very own website. What now? **Get trained to take the reins on your website!** Learn how to update your site, how it works, and keep your site polished for your parishioners, new and old. **The Archdiocese of Denver wants to provide you with the training necessary** to maintain your website as efficiently as possible, while serving your community to its fullest.
