

On Mission with Archbishop Golka

- The best thing we can do is be **happy practicing Catholics**; others will see that light and want it.
- **God is doing something** all over the country and here in the Archdiocese of Denver.
- We need to be **ready to receive** those who come & cannot just do business as usual.
- We are not in Christendom anymore. **We can't assume everyone knows the story of Jesus.**

The Kerygma / Gospel Message in Brief

God created us,
we were **captured** by sin,
Jesus came to **rescue** us, and
we are invited to **respond** to the invitation to life with God, the Father, Son, and Holy Spirit.

Proclaiming the gospel is “the essential dimension of every moment of catechesis.”

Kerygmatic model does not change the material being taught, but establishes a Christocentric focus to the curriculum. The main adjustment to our current model is not what we do and say, but how we do and say it.
